Feb. 20, 1967

Dear Mr. Weisberg,

This is just a short note to say how much I enjoyed your talk here at U.V.M. and also the special opportunity to have dinner with you. I'm still bragging about it. You left quite an impression on all who heard you and I want to wish you success in your endeavor.

Sincerely,
"The Zeta Chi Girl"
Jean Pearson

Mr. Harold Weissberg
